

## PHARM D-STUDENT FEED BACK FORM ON COURSE COORDINATOR (2020 - 2021)

Form: PHARM D-STUDENT FEED BACK FORM ON COURSE COORDINATOR (2020 - 2021)

Date	26-Jul-2021
Programme	Pharm D
Year	I YEAR
Name Of The Course Coordinator	Afzal Basha Shaik
Course Name And Course Code	T1104, Pharmaceutical Organic Chemistry
1. Course coordinator communicates clearly	4
2. Course coordinator covers the total syllabus	5
3. Course coordinator covers the total syllabus	4
4. Course coordinator possesses knowledge on the course taught	5
5. Course coordinator is a role model	4
1. Course coordinator is punctual to class	5
2. Course coordinator engages the class within time	4
3. Course coordinator encourages teacher to student discussion	5
4. Course coordinator encourages student to teacher discussion	4
5. Course coordinator uses modern teaching methods like ppt, videos, web sources or any other aids	5

6. Course coordinator relates realistic examples during teaching	4
7. Course coordinator encourages academically slow learners	5
8. Course coordinator encourages academically bright students	4
9. Course coordinator provides learning materials for the course	5
10. Course coordinator provides guidance and counsels for the academic improvements in the class	4
11. Course coordinator provides guidance and counsels for the academic improvements apart from the class hours	5
1. Course coordinator conducts group discussion, student seminars	4
2. Course coordinator allots assignment within and beyond the syllabus	5
3. Course coordinator allots assignment within the syllabus	4
4. Course coordinator allots assignment - beyond the syllabus	5
5. Course coordinator conducts periodic class test	4
6. Course coordinator gives question paper covering the syllabus	5
7. Course coordinator evaluates in a fair and impartial manner	4
IV. Suggestions (if any)	
Over all rating of Class Coordinator	5

Date	10-May-2021
Programme	Pharm D
Year	I YEAR
Name Of The Course Coordinator	Afzal Basha Shaik
Course Name And Course Code	T1104, Pharmaceutical Organic Chemistry
1. Course coordinator communicates clearly	4
2. Course coordinator covers the total syllabus	5
3. Course coordinator covers the total syllabus	4
4. Course coordinator possesses knowledge on the course taught	5
5. Course coordinator is a role model	4
1. Course coordinator is punctual to class	5
2. Course coordinator engages the class within time	4
3. Course coordinator encourages teacher to student discussion	5
4. Course coordinator encourages student to teacher discussion	4
5. Course coordinator uses modern teaching methods like ppt, videos, web sources or any other aids	5
6. Course coordinator relates realistic examples during teaching	4
7. Course coordinator encourages academically slow learners	5

8. Course coordinator encourages academically bright students	4
9. Course coordinator provides learning materials for the course	5
10. Course coordinator provides guidance and counsels for the academic improvements in the class	4
11. Course coordinator provides guidance and counsels for the academic improvements apart from the class hours	5
1. Course coordinator conducts group discussion, student seminars	4
2. Course coordinator allots assignment within and beyond the syllabus	5
3. Course coordinator allots assignment within the syllabus	4
4. Course coordinator allots assignment - beyond the syllabus	5
5. Course coordinator conducts periodic class test	4
6. Course coordinator gives question paper covering the syllabus	5
7. Course coordinator evaluates in a fair and impartial manner	4
IV. Suggestions (if any)	
Over all rating of Class Coordinator	5

Date	26-Jul-2021
Programme	Pharm D
Year	I YEAR
Name Of The Course Coordinator	S. Vara Prasad
Course Name And Course Code	T1101, Human Anatomy and Physiology
1. Course coordinator communicates clearly	3
2. Course coordinator covers the total syllabus	2
3. Course coordinator covers the total syllabus	3
4. Course coordinator possesses knowledge on the course taught	5
5. Course coordinator is a role model	3
1. Course coordinator is punctual to class	3
2. Course coordinator engages the class within time	3
3. Course coordinator encourages teacher to student discussion	5
4. Course coordinator encourages student to teacher discussion	3
5. Course coordinator uses modern teaching methods like ppt, videos, web sources or any other aids	3
6. Course coordinator relates realistic examples during teaching	4
7. Course coordinator encourages academically slow learners	4

8. Course coordinator encourages academically bright students	3
9. Course coordinator provides learning materials for the course	5
10. Course coordinator provides guidance and counsels for the academic improvements in the class	3
11. Course coordinator provides guidance and counsels for the academic improvements apart from the class hours	3
1. Course coordinator conducts group discussion, student seminars	3
2. Course coordinator allots assignment within and beyond the syllabus	5
3. Course coordinator allots assignment within the syllabus	2
4. Course coordinator allots assignment - beyond the syllabus	3
5. Course coordinator conducts periodic class test	2
6. Course coordinator gives question paper covering the syllabus	3
7. Course coordinator evaluates in a fair and impartial manner	3
IV. Suggestions (if any)	
Over all rating of Class Coordinator	3

Date	10-May-2021
Programme	Pharm D
Year	I YEAR
Name Of The Course Coordinator	P. Seshagiri Rao
Course Name And Course Code	T1106/T1107, Remedial Mathematics/ Biology
1. Course coordinator communicates clearly	5
2. Course coordinator covers the total syllabus	4
3. Course coordinator covers the total syllabus	5
4. Course coordinator possesses knowledge on the course taught	4
5. Course coordinator is a role model	5
1. Course coordinator is punctual to class	5
2. Course coordinator engages the class within time	5
3. Course coordinator encourages teacher to student discussion	5
4. Course coordinator encourages student to teacher discussion	5
5. Course coordinator uses modern teaching methods like ppt, videos, web sources or any other aids	4
6. Course coordinator relates realistic examples during teaching	5
7. Course coordinator encourages academically slow learners	5

8. Course coordinator encourages academically bright students	5
9. Course coordinator provides learning materials for the course	4
10. Course coordinator provides guidance and counsels for the academic improvements in the class	5
11. Course coordinator provides guidance and counsels for the academic improvements apart from the class hours	5
1. Course coordinator conducts group discussion, student seminars	4
2. Course coordinator allots assignment within and beyond the syllabus	5
3. Course coordinator allots assignment within the syllabus	5
4. Course coordinator allots assignment - beyond the syllabus	5
5. Course coordinator conducts periodic class test	5
6. Course coordinator gives question paper covering the syllabus	5
7. Course coordinator evaluates in a fair and impartial manner	5
IV. Suggestions (if any)	
Over all rating of Class Coordinator	5

Date	26-Jul-2021

Name Of The Course Coordinator	P Sowjanya
Course Name And Course Code	T2102, Pharmaceutical Microbiology
1. Course coordinator communicates clearly	4
2. Course coordinator covers the total syllabus	5
3. Course coordinator covers the total syllabus	4
4. Course coordinator possesses knowledge on the course taught	5
5. Course coordinator is a role model	5
1. Course coordinator is punctual to class	4
2. Course coordinator engages the class within time	5
3. Course coordinator encourages teacher to student discussion	4
4. Course coordinator encourages student to teacher discussion	5
5. Course coordinator uses modern teaching methods like ppt, videos, web sources or any other aids	4
6. Course coordinator relates realistic examples during teaching	5
7. Course coordinator encourages academically slow learners	4

8. Course coordinator encourages academically bright students	5
9. Course coordinator provides learning materials for the course	4
10. Course coordinator provides guidance and counsels for the academic improvements in the class	5
11. Course coordinator provides guidance and counsels for the academic improvements apart from the class hours	4
1. Course coordinator conducts group discussion, student seminars	5
2. Course coordinator allots assignment within and beyond the syllabus	4
3. Course coordinator allots assignment within the syllabus	5
4. Course coordinator allots assignment - beyond the syllabus	4
5. Course coordinator conducts periodic class test	5
6. Course coordinator gives question paper covering the syllabus	4
7. Course coordinator evaluates in a fair and impartial manner	5
IV. Suggestions (if any)

Programme	Pharm D
Year	II YEAR
Name Of The Course Coordinator	P. Rana Kishor
Course Name And Course Code	T2105 Community Pharmacy
1. Course coordinator communicates clearly	3
2. Course coordinator covers the total syllabus	4
3. Course coordinator covers the total syllabus	5
4. Course coordinator possesses knowledge on the course taught	3
5. Course coordinator is a role model	4
1. Course coordinator is punctual to class	5
2. Course coordinator engages the class within time	3
3. Course coordinator encourages teacher to student discussion	4
4. Course coordinator encourages student to teacher discussion	5
5. Course coordinator uses modern teaching methods like ppt, videos, web sources or any other aids	3
6. Course coordinator relates realistic examples during teaching	4
7. Course coordinator encourages academically slow learners	5

8. Course coordinator encourages academically bright students	3
9. Course coordinator provides learning materials for the course	4
10. Course coordinator provides guidance and counsels for the academic improvements in the class	5
11. Course coordinator provides guidance and counsels for the academic improvements apart from the class hours	3
1. Course coordinator conducts group discussion, student seminars	4
2. Course coordinator allots assignment within and beyond the syllabus	5
3. Course coordinator allots assignment within the syllabus	3
4. Course coordinator allots assignment - beyond the syllabus	4
5. Course coordinator conducts periodic class test	5
6. Course coordinator gives question paper covering the syllabus	3
7. Course coordinator evaluates in a fair and impartial manner	4
IV. Suggestions (if any)

Name Of The Course Coordinator	S. Vara Prasad
Course Name And Course Code	T2104 Pharmacology-I
1. Course coordinator communicates clearly	3
2. Course coordinator covers the total syllabus	4
3. Course coordinator covers the total syllabus	3
4. Course coordinator possesses knowledge on the course taught	4
5. Course coordinator is a role model	3
1. Course coordinator is punctual to class	4
2. Course coordinator engages the class within time	3
3. Course coordinator encourages teacher to student discussion	4
4. Course coordinator encourages student to teacher discussion	3
5. Course coordinator uses modern teaching methods like ppt, videos, web sources or any other aids	4
6. Course coordinator relates realistic examples during teaching	3
7. Course coordinator encourages academically slow learners	4

8. Course coordinator encourages academically bright students	3
9. Course coordinator provides learning materials for the course	4
10. Course coordinator provides guidance and counsels for the academic improvements in the class	3
11. Course coordinator provides guidance and counsels for the academic improvements apart from the class hours	4
1. Course coordinator conducts group discussion, student seminars	3
2. Course coordinator allots assignment within and beyond the syllabus	4
3. Course coordinator allots assignment within the syllabus	3
4. Course coordinator allots assignment - beyond the syllabus	4
5. Course coordinator conducts periodic class test	3
6. Course coordinator gives question paper covering the syllabus	4
7. Course coordinator evaluates in a fair and impartial manner	3
IV. Suggestions (if any)	
Over all rating of Class Coordinator	3

Date	15-Apr-2021

Name Of The Course Coordinator	Devarakonda Ashok
Course Name And Course Code	T3102, Pharmaceutical Analysis
1. Course coordinator communicates clearly	4
2. Course coordinator covers the total syllabus	5
3. Course coordinator covers the total syllabus	4
4. Course coordinator possesses knowledge on the course taught	5
5. Course coordinator is a role model	4
1. Course coordinator is punctual to class	5
2. Course coordinator engages the class within time	4
3. Course coordinator encourages teacher to student discussion	5
4. Course coordinator encourages student to teacher discussion	4
5. Course coordinator uses modern teaching methods like ppt, videos, web sources or any other aids	5
6. Course coordinator relates realistic examples during teaching	4
7. Course coordinator encourages academically slow learners	5

8. Course coordinator encourages academically bright students	4
9. Course coordinator provides learning materials for the course	5
10. Course coordinator provides guidance and counsels for the academic improvements in the class	4
11. Course coordinator provides guidance and counsels for the academic improvements apart from the class hours	5
1. Course coordinator conducts group discussion, student seminars	4
2. Course coordinator allots assignment within and beyond the syllabus	5
3. Course coordinator allots assignment within the syllabus	4
4. Course coordinator allots assignment - beyond the syllabus	5
5. Course coordinator conducts periodic class test	4
6. Course coordinator gives question paper covering the syllabus	5
7. Course coordinator evaluates in a fair and impartial manner	4
IV. Suggestions (if any)	
Over all rating of Class Coordinator	4
