Kakinada, Andhra Pradesh

Subject: Submission of Nominations– “Award for the College that organized the highest number of Capacity-Building Programmes, viz., FDPs, SDPs, Workshops, Seminars, National / International Conferences during 21.08.2025 to 20.08.2026.”– JNTUK Awards 2026 – Reg.

Respected Sir,

Greetings from **Vignan Pharmacy College, Vadlamudi.**

With due respect, we are pleased to submit the nomination of **Vignan Pharmacy College, Vadlamudi**, for the **JNTUK Awards 2026**, under the category:

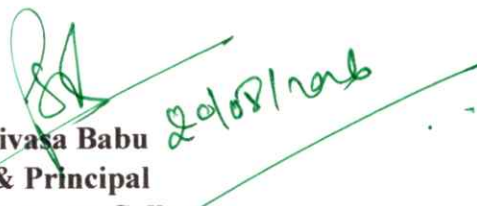

During the assessment period, our college organized **one International Conference with financial support of ₹5.00 Lakhs from Government Funding Agencies (ANRF & ICMR)**. In addition, the College conducted several **Student Development Programmes (SDPs), Workshops, Seminars, and other capacity-building activities** for the benefit of students, faculty, researchers, and other stakeholders.

We are submitting the **nomination details along with the relevant documentary evidence** for kind consideration and evaluation under the above award category.

We kindly request your good office to consider our nomination for the **JNTUK Awards 2026**.

Thanking you.

ABOUT VIGNAN PHARMACY COLLEGE

Vignan Pharmacy College was established in 2006 and is situated in a tranquil and verdant environment spanning 3.69 acres in the village of Vadlamudi, along the Guntur-Tenali highway in Andhra Pradesh, India. The institution is officially recognized by the Pharmacy Council of India (PCI), New Delhi, and is permanently affiliated to Jawaharlal Nehru Technological University, Kakinada. The college boasts a dedicated, experienced, and highly qualified faculty. Its infrastructure is of exceptional quality, featuring spacious and well-ventilated classrooms, state-of-the-art laboratories, and a comprehensive research and library to meet global standards. It has established two Research Centres from Jawaharlal Technological University, Kakinada, and Vignan's University, Guntur. The institution has achieved an h-index of 20. The institution is conferred with Autonomous status for ten years from 2024 to 2034. It offers academic programs for those pursuing B. Pharmacy, M. Pharmacy (specializing in Pharmaceutics & Pharmaceutical Analysis), and PharmD. The institution holds recognition from the Institution's Innovation Council (IIC), Ministry of Education (MoE), and the Government of India and is certified under ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 standards. B. Pharmacy program is accredited by the National Board of Accreditation (NBA). It is a NAAC A++ accredited institution with a CGPA of 3.65, affirming its commitment to quality and excellence in education.

VISION

To be a center of excellence in Pharmaceutical Sciences to produce internationally competent, pharmacy professionals who are socially and ethically responsible citizens with strong emotional and psychological quotient.

MISSION

To provide high quality academic programs through,

- Innovative teaching-learning process and training activities.
- Research facilities and opportunities supported by continuous Industry-Institute interaction
- Promoting employability, leadership, research and entrepreneurial skills in the advanced areas of Pharmaceutical Sciences and contribute to the economic and health care development of the Region, State and Nation.

ABOUT WORKSHOP / SYMPOSIUM

The International Workshop/Symposium on "Innovative Paradigms in Preclinical Research", sponsored by ICMR & ANRF, aims to redefine the future of biomedical research by advancing non-animal-based methodologies in preclinical studies. With growing emphasis on biostatistics, epidemiological modeling, and AI-driven tools, this three-day Workshop cum symposium offers a transformative platform for researchers to explore ethical, efficient, and predictive alternatives to traditional animal models.

Hosted by Vignan Pharmacy College, Vadlamudi, Guntur, this Program brings together leading National and International experts to deliver hands-on training, technical sessions, and discussions on cutting-edge topics, including *In-Silico* Toxicology, Omics Technologies, Digital Epidemiology, and Drug Repurposing. By bridging Computational tools with Translational research, the workshop cum symposium will foster collaboration, enhance research capabilities, and contribute meaningfully to the global movement toward humane and data-driven ethical science.

KEY HIGHLIGHTS OF THE SESSIONS

- Modeling Disease Progression using Biostatistical Frameworks
- Population-based Risk Assessment and Trial Simulations
- Real-world Data & Digital Biomarkers in Preclinical Evaluation
- Ethical and Regulatory Perspectives on Animal-Free Testing
- Machine Learning in Predictive Toxicology and Drug Safety

CALL FOR ABSTRACTS

The participants are requested to submit their abstracts for poster presentation on the highlights of the workshop cum symposium. The abstract should not exceed more than 250 words typed in MS Word format with a font size of 12 points in Times New Roman with double line spacing.

The abstract should include the author's institution and the corresponding author's email address. The presenting author's name should be mentioned with an asterisk.

Submit the abstract to: (icmrworkshopvpc@gmail.com)

All the accepted Abstracts will be published in a souvenir with an ISBN number. Selected Abstracts will be considered for publishing as a full-length article in the Journal of Applied Pharmaceutical Science, SCOPUS (Q2) Indexed Journal.

Subject: Recommendation on Application titled International Symposium on Innovative Paradigms in Preclinical Research: Advancing Beyond Animal Models through Biostatistics, Epidemiology, and Data-Driven Methodologies (NextGen Bio Connect 2K25) for Financial Assistance under "Assistance to Professional Bodies Seminar / Symposia Scheme"

Dear Mr. VVSIVAKRISHNA P,

We are pleased to inform you that your application for financial assistance under the "Assistance to Professional Bodies & Seminar / Symposia Scheme" has been reviewed and recommended for approval.

Please note that the grant is specifically for the "International Symposium on Innovative Paradigms in Preclinical Research: Advancing Beyond Animal Models through Biostatistics, Epidemiology, and Data-Driven Methodologies (NextGen Bio Connect 2K25)" scheduled from 22-Aug-2025 to 23-Aug-2025. The following budget is recommended for this event:

S. No	Budget Head	Amount (In Rs.)
1	Domestic Travel for Young and Senior Scientists (Indian Only)	50000
2	Pre-Conference Printing (Announcements, abstracts etc.)	10000
Total :		100000

[Signature]
Principal
Vignan Pharmacy College
VADLAMUDI, GUNTUR (D.L.)-522 213

S. No	Budget Head	Amount (In Rs.)
	Contingency/Incidental Expenses	
3	(to meet working expenses/accommodation/venue costs during the event)	40000
Total : 100000		

You are requested to submit affidavit (Bond) on Rs. 100/- non-judicial stamp paper scan copy through online portal.(formatlink https://anrffonline.in/ANRF/AbstractFilePath?FileType=E&FileName=BND_SSY.pdf&PathKey=DOCUMENT_TEMPLATE).

To proceed with the release of funds, kindly submit the required documents, along with the RTGS details, within 15 days of receiving this letter. If the documents are not received within this period, it will be assumed that you are no longer interested in the grant, and the offer will be automatically withdrawn. No further communication will be entertained thereafter.

Please also note that no separate postal communication will be sent regarding this matter, and any changes to the event date without prior approval from ANRF will not be accepted.

Thank you for your attention.

Sincerely,

With kind regards,

(Dr. Pankaj Rawat)

Subject: Workshop on "Innovative Paradigms in Preclinical Research: Advancing Beyond Animal Models through Biostatistics, Epidemiology, and Data-Driven Methodologies " to be held from 21st to 23rd August, 2025 at Vignan Pharmacy College, Vadlamudi, Andhra Pradesh - reg.

Dear Sir/Madam,

With reference to your application on the above mentioned subject, we are pleased to inform you that your proposal has been evaluated by the Expert Committee of ICMR and has been recommended for financial support of Rs. 4,00,000/- (Rupees Four Lakhs only) to meet the expenditure for organizing the workshop to be held from 21st to 23rd August, 2025 at Vignan Pharmacy College, Vadlamudi, Andhra Pradesh. You are requested to submit the enclosed proforma of formal bill and Mandate form (hard copies) duly filled in with your details along with cancelled cheque for remitting the financial support of Rs. 4,00,000/-. The financial support is contingent upon adherence to the guidelines outlined in the provisions laid down in GFR-2017 and T.A. rules.

The financial support is subject to the following conditions:

- i. The proposal is in accordance with the norms of the scheme and the expenditure incurred should comply with the Department of Expenditure (DoE) and Ministry of Finance guidelines.
- ii. It may be ensured that expenditure on TA/DA is claimed as per the entitlement.
- iii. Prior approval of the Competent Authority of the institute should be obtained before granting air travel facility to non-official members.
- iv. The financial prudence and cost-effectiveness should be duly considered while incurring expenditure.

After completion of workshop, you are required to send the Utilization Certificate (UC) along with Statement of Expenditure (SoE) (one original & one xerox copy), Audit report and workshop proceedings report in book, souvenir/abstract summary report (Only in the prescribed format given on DHR website) within one month of release of the grant by the DHR. The unspent balance, if any, from the sanctioned amount of Rs. 4,00,000/- should be refunded back to Bharatkosh under Ministry /Department, Bharatkosh Portal, Link - <https://bharatkosh.gov.in/NTRPHome/QuickPayment>, Ministry/Department - 017 - HEALTH and FAMILY WELFARE, Purpose - Refund of Unspent balance (CMSS2210). (Copy of the Receipt has to be sent to ICMR/DHR)

Principal

5 DAYS HANDS-ON SKILL DEVELOPMENT PROGRAM (SDP)

ON

PHARMACEUTICS EQUIPMENT

PRACTICAL TRAINING & INDUSTRIAL APPLICATIONS

28 July 2026 to 01 Aug 2026
(Tuesday to Saturday)

VENUE:

Bapatla College of Pharmacy
Bapatla, Andhra Pradesh

ABOUT THE PROGRAM

This 5-Day Skill Development Program is designed to provide II B.Pharmacy students of Vignan Pharmacy College with intensive hands-on exposure to pharmaceutical manufacturing equipment widely used in industrial production and research laboratories. The program emphasizes practical operation, working principles, process optimization, troubleshooting, and industrial applications, enabling students to strengthen their laboratory skills and gain industry-oriented practical experience.

HANDS-ON TRAINING MODULES

Participants will gain practical exposure to:

- Tablet Compression Machine
- Tablet Coating Pan
- Fluidized Bed Dryer (FBD)
- Capsule Filling Machine
- Multi Mill
- Rapid Mixer Granulator (RMG)
- Double Cone Blender
- Dissolution Test Apparatus

(and more...)

WHO CAN ATTEND?

Exclusively for
**II B.PHARMACY
STUDENTS**

VIGNAN PHARMACY COLLEGE
(AUTONOMOUS)

BENEFITS TO PARTICIPANTS

- ✓ Hands-on Training on Industrial Pharmaceuticals Equipment
- ✓ Learning from Experienced Faculty
- ✓ Improved Laboratory Skills
- ✓ Better Understanding of Pharmaceutical Manufacturing Processes
- ✓ Enhanced Industry Readiness
- ✓ Certificate of Participation

COLLEGE AT A GLANCE

Vignan Pharmacy College (VPC) is a nonprofit organization established in the year 2006 at Vadlamudi under the flagship of Vignan Group of Institutions. Vignan's journey through time began in 1997 – a landmark year that saw the establishment of Vignan Engineering College, the first campus at Vadlamudi. Founded under the visionary leadership of the Vignan Educational Trust, this prestigious institution was brought to life by the dedication and foresight of Dr. Lavu Rathaiiah, the driving force behind Vignan's legacy. Intuition is administered by eminent expertise personnel from academia and industry to enroute the mission of the institution towards achieving its vision. This constituent college is a prestigious institution located in a multi level building with well-equipped research laboratories and good research facilities to meet the global needs. The institution offers B. Pharm, M. Pharm (Pharmaceutics & Pharmaceutical Analysis) and Pharm.D programs. The college is recognized by the government of AP and Affiliated to JNTU Kakinada Institution provides 90-95% of academic results and always stands top 5 among affiliated colleges of JNTUK. 75-80% campus placements, 10% higher studies and 3% of entrepreneurs are from the institution. It is competing with well-established institutions in the state of Andhra Pradesh. It has MSME incubation center and inculcates entrepreneurial mindset among faculty and students. We actively seek students who best personify our core values - innovation, leadership, excellence, integrity, respect and professionalism. The Undergraduate and Postgraduate degree programs are approved by the Pharmacy Council of India (PCI) New Delhi. To its credit institution is conferred Autonomous status by UGC for 10 years (2024-2034). Institution has established research centers (JNTUK & Vignan's Foundation for Science Technology and Research (Deemed to be University)). NBA accredited B.Pharm program and accredited by NAAC with A++ grade (3.65 CGPA), PCI - QCI NABET 'A' Grade.

VISION

To be a center of excellence in Pharmaceutical Sciences to produce internationally competent, pharmacy professionals who are socially and ethically responsible citizens with strong emotional and psychological quotient.

MISSION

- To provide high quality academic programs through,
- Innovative teaching-learning process and training activities.
- Research facilities and opportunities supported by continuous Industry-Institute interaction
- Promoting employability, leadership, research and entrepreneurial skills in the advanced areas of Pharmaceutical Sciences and contribute to the economic and health care development of the Region, State and Nation.

Highlights

- Hands - on training on advanced Pharmacology simulation software tools
- Virtual animal experiments simulations
- Exploring ethical & non - animal approaches
- Case studies & real - world applications
- Expert guidance & interactive sessions
- Promoting the 3Rs principle in research
- CPCSEA Guidelines & Animal Ethics
- Hands-on Software Demonstrations

Need of The Workshop

- Enhance practical skills using cutting - edge tools
- Promote ethical research practices
- Support the 3Rs principle
- Prepare for future - ready Pharmacology research

Resource Person

Mr. Akurati Sri Manikanta Sai

Founder & CEO, Ascianti Solis

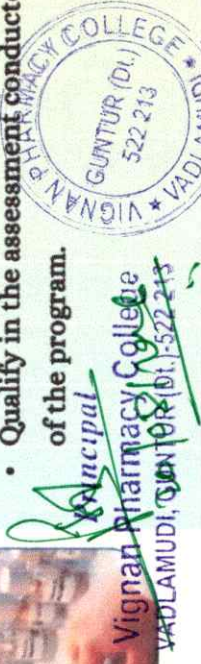

Outcome of The Workshop

- Reduce dependence on live animal experiments
- Adopting alternative simulation-based learning approaches.
- Perform dose-response analysis and interpret simulated experimental data.
- Gain practical skills in designing and executing virtual pharmacology experiments.
- Develop proficiency in using pharmacology simulation software for virtual experiments.

CERTIFICATION

Certificates will be awarded to participants who:

- Attend at least 80% of the sessions.
- Successfully complete all practical exercises.
- Qualify in the assessment conducted at the end of the program.

About Our College

Vignan Pharmacy College was established in 2006 at Vadlamudi in Guntur district. Spread across many acres of serene surroundings with vast greenery, the college provides a perfect environment for intellectual pursuits. Our college has experienced and well qualified faculty and is also supported by distinguished visiting and guest faculty from industry and profession. Our management provides peaceful and congenial environment, impressive infrastructure, well equipped laboratories, excellent library facilities and very comfortable on campus housing facilities. The College has signed several MOU's with reputed Hospitals in India & United States of America to enhance teaching & learning experience of Staff & Students. Our college is affiliated to Jawaharlal Nehru Technological University, Kakinada and approved by AICTE and PCI, New Delhi. Our institute offers high quality education to students pursuing B. Pharmacy, M. Pharmacy (Pharmaceutics & Pharmaceutical Analysis) and Pharm.D Programs. We are accredited by NBA and NAAC with A++.

About EPIC-2026

EPIC-2026 highlights how a strong Pharm.D foundation, when combined with innovation and technology, can significantly enhance patient care and expand professional opportunities. EPIC-2026 emphasizes the evolving role of clinical pharmacists as key contributors to multidisciplinary healthcare teams, particularly through effective collaboration with physicians, evidence-based practice and patient-centric decision-making. EPIC-2026 offers practical strategies to translate academic training into real-world clinical impact, career preparedness, and entrepreneurial pathways. Through expert-led sessions, interactive discussions and networking opportunities, participants will gain clarity on diverse Pharm.D career options across clinical practice, industry and research, while engaging with clinicians, researchers, innovators and industry leaders who are shaping the future of Pharmacy Practice.

Why Attend EPIC-2026?

1. Discover how Innovation and Technology are transforming Patient Care.
2. Explore Clinical Pharmacist-Physician collaboration in improving Patient Outcomes.
3. Gain clarity on Pharm.D Careers across Clinical Practice, Industry and Research.
4. Understand Strategies to leverage Pharm.D foundation for Clinical Impact, Career Readiness and Entrepreneurship.
5. Engage with Clinicians, Researchers, Innovators and Industry Leaders.
6. Network with Peers, Mentors and Organizations shaping the future of Pharm.D

Who Should Attend?

- Pharm.D Students (All Years).
- Pharm.D Interns and Graduates.
- Clinical Pharmacists and Academicians.
- Healthcare Professionals interested in Patient Care Innovation and Research.

What to Expect?

- Expert Keynote Sessions.
- Career-focused Panel Discussions.
- Exposure to Innovations in Patient Care.
- Career Guidance and Mentorship.
